First Grade

In First Grade School supplies are shopped for you for \$10. We can get lower prices by shopping in bulk, shopping sales, and buying the supplies we know from experience will last all year. Supplies will be kept in the classroom and set out as needed and shared among students. This has been shown to be very successful. A FREE backpack will also be supplied for your child and is yours to keep at the end of the year. Please send in your \$10 to the office by August 17th.

A full list of school supplies that are provided will be posted on my Facebook page by searching Krider's Class.

*If you choose not to participate in this program, please let the office know, and you will need to provide the required items by the first day of school.

Second Grade

These are the supplies I would like for your child to have next year. Please put your child's name on the supplies and ear buds. We have tables in our classrooms, so our supplies will most likely get mixed together. Enjoy the rest of your summer! See you soon!
