

**WRIGHT**  
PREPARATORY ACADEMY

Dear Panther Families,

It is my pleasure to welcome you to Wright Preparatory Academy. As I begin my first school year as Principal at WPA, I am energized and deeply committed to making a positive difference in the lives of your children. We will accomplish this by setting high academic expectations for all children and providing supportive systems to assure they are met. By focusing on a positive school culture, setting high standards for teacher performance, increased academic expectations for all students and engaging the community, it is our goal at Wright Prep that all students are on track to be college/career ready.

I firmly believe that every child can succeed and that the cooperation between home and school builds trust and self-esteem in students. Our students can use their highest potential to shape their future and consequently, the future of our community and our nation. I am devoted to continually exploring new ideas to meet the needs of all students and work with parents and community members more efficiently. We will be meeting as a staff, with parents and students throughout the year to identify specific goals in the areas of student achievement, school climate, and parent communication. Our remarkable staff, involved parents and committed students come together to make Wright Preparatory Academy a wonderful place to learn and grow. I can't wait to celebrate our collective successes during the 2021-2022 school year.

Please know my door is always open to you. I sincerely welcome your conversation and input during this year. Let us keep our students' success our primary focus as we move forward with grit and cooperation.

Sincerely,

Kristen H. Clotworthy
